Prestigious Scholarships and Fellowships are highly competitive awards sponsored by the U. S. Department of State and International Universities to fund American students to study, work, and serve abroad. The concept is called "Citizen Diplomacy" where American undergraduate and post graduate students, from all academic disciplines, study and serve abroad establishing relationships to bolster international relations and American diplomacy, consistent with our motto: "Educate for Service."

If you are interested in applying for a Prestigious Scholarship or Fellowship or applying for a Summer Enrichment Grant through the Office of Prestigious Scholarships and Fellowships, please contact Professor Jean-Paul Benowitz to schedule an appointment.

**CAREER
DEVELOPMENT
CENTER**
ELIZABETH TOWN COLLEGE

The Career Development Center congratulates our Emergent Scholars on their success. To continue this progress, we are here to help! The Career Development Center educates students on career readiness skills, facilitates connections with employers for internships and jobs, and supports students on their professional journey. The Career Development Center hosts various events each semester to help students connect with employers and prepare for their professional journey. We encourage students to utilize Handshake to look for internship and job opportunities and register for career development events throughout the year. Students can log on to Handshake to view upcoming on-campus and virtual career fairs and events! Students can also schedule an appointment with the Career Development Center on Handshake for the following topics: Resume Creation or Review, Cover Letter Creation or Review, Internship or Job Search Help, Job or Internship Application Questions, Career or Major Exploration, Practice Interview, LinkedIn/Handshake Profile Help, Graduate School Discussion and Search, and Graduate School Practice Interview. We look forward to meeting with you soon to help you meet your career aspirations!
