EDUCATION

Elizabethtown College, Elizabethtown, PA

May 2028

- B.S. Computer Science (Web and App Design Concentration), Graphic Design minor
- Dean's List
- Emergent Scholar
- Student Research Award

GPA: 4.0

Fall 2024 - Spring 2026

Spring 2026

Spring 2026

PROJECTS

RacePace3D, github.com/Etown-CS310/racepace3D

Aug 2025 - Dec 2025

Application Development Project

- Built a 3D endless-runner mobile game in React Native with real-time controls, obstacles, and scoring logic
- Implemented level unlocking, character customization, and leaderboards to support progression and competition
- Designed animated, interactive UI components to enhance player experience

JayBot, github.com/Etown-CS/25_SCARP_JayWingAITutor

May 2025 - Jul 2025

Summer Creative Arts and Research Program

- Collaborated with faculty mentor Dr. Jessica Wang and fellow student researcher Joey Wagner to develop an AI-powered tutor leveraging GPT and cloud infrastructure for student learning
- Implemented student messaging system, professor management dashboard, and database integration to create a sound user interface and experience

WORK EXPERIENCE

Elizabethtown College, Elizabethtown, PA

Sep 2022 - Present

Peer Tutor

- Tutoring computer science students in one-on-one sessions, translating complex material into clear steps that boosted coding skills and academic performance

Elizabethtown College, Elizabethtown, PA

Sep 2025 - Dec 2025

Teaching Assistant

- Assisted Computer Science I professor to mentor students and improve their learning outcomes
- Expanded my debugging expertise by troubleshooting 30+ students code, resulting in faster error identification and stronger problem-solving skills

LEADERSHIP AND ACTIVITIES

Elizabethtown College Cross Country and Track and Field Team

Aug 2024 - Present

Student-Athlete

- Balancing 20+ hours of weekly NCAA Division III athletic training with full academic coursework, strengthening time management, commitment, and goal-oriented performance

Scouting America

Dec 2022 - Present

National Youth Leadership Training Staff

- Mentoring youth leaders at NYLT by teaching communication, teamwork, and problem-solving strategies, developing confident, ethical, and capable team leaders

Scouting America

Jan 2024

Eagle Scout

- Directed a 150-hour Eagle Scout project restoring Codorus State Park's mini disc-golf course and drop-off boxes
