EDUCATION

Elizabethtown College, Elizabethtown, PA

May 2028

- B.S. in Computer Science, Web & Application Design Concentration | Graphic Design Minor
- Dean's List
- Emergent Scholar and Student Research Award

GPA: 4.0

Fall 2024 - Spring 2026

Spring 2026

PROJECTS

RacePace3D | Application Development Project

Aug 2025 - Dec 2025

GitHub: github.com/Etown-CS310/racepace3D

- Developed a 3D endless-runner mobile game in React Native with real-time player controls, obstacle mechanics, and scoring logic
- Implemented multi-level progression, character customization, unlockable content, and team and friend leaderboards
- Designed custom sprites, animated UI components, and interactive controls to create a responsive mobile gaming experience

JayBot | Summer Creative Arts and Research Program

May 2025 - Jul 2025

GitHub: github.com/Etown-CS/25_SCARP_JayWingAITutor

- Collaborated with faculty mentor Dr. Jessica Wang and fellow researcher Joey Wagner to develop an AI-powered tutor using Retrieval-Augmented Generation (RAG) and professor-uploaded course materials
- Built a full-stack web application using PHP, JavaScript, Python, MySQL, Pinecone, Google Cloud Storage, and the OpenAI API
- Implemented student messaging, instructor management dashboards, and database integration to support course material management and AI-generated responses

WORK EXPERIENCE

Peer Tutor | Elizabethtown College, Elizabethtown, PA

Sep 2022 - Present

- Guided students through programming assignments and debugging strategies, translating complex concepts into clear, actionable steps that improved coding confidence and academic performance

Teaching Assistant | Momentum Coding Academy, Lancaster, PA

Jun 2026 - Aug 2026

- Mentored 25+ high school students in JavaScript, HTML, CSS, PHP, and SQL, providing hands-on guidance throughout an intensive full-stack web development curriculum
- Led workshops on debugging, error diagnosis, and Git/GitHub, teaching systematic troubleshooting and collaborative development practices

LEADERSHIP AND ACTIVITIES

Student-Athlete | Elizabethtown College Cross Country and Track and Field Team

Aug 2024 - Present

- Balancing 20+ hours of weekly NCAA Division III athletic training with full academic coursework, strengthening time management, commitment, and goal-oriented performance

National Youth Leadership Training Staff | Scouting America

Dec 2022 - Jun 2026

- Trained and mentored scouts in leadership, communication, teamwork, and problem-solving through hands-on instruction and team-building activities, helping develop confident and effective youth leaders

Eagle Scout | Scouting America

Jan 2024

- Directed an Eagle Scout service project to restore Codorus State Park's mini disc-golf course and disc drop-off boxes
- Coordinated volunteers and project logistics to complete over 125 hours of community service
